7 UNITED STATES DISTRICT COURT
8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10 TAYLOR A. CAMPBELL,

11 Plaintiff,

12 v.

13 BNSF RAILWAY COMPANY,

14 Defendant.

CASE NO. C24-0608JLR

MINUTE ORDER

15 The following minute order is made by the direction of the court, the Honorable
16 James L. Robart:

17 Before the court is the parties' stipulated motion (Stip. (Dkt. # 28)) to substitute
18 corrected versions of Plaintiff's motion to exclude the opinion testimony of Fred Reinke
19 (MTE (Dkt. # 24)) and the accompanying declaration of Jason L. Simmons (Simmons
20 Decl. (Dkt. # 25)) for the versions currently filed on the docket. The court GRANTS the
21 parties' motion in part. The court cannot substitute a new version of a document for a
22 document that has already been filed on the record and therefore denies Plaintiffs' request

1 to substitute. Plaintiff may, however, file a praecipe to correct the erroneous documents
2 pursuant to Local Civil Rule 7(m). *See* Local Rules W.D. Wash. LCR 7(m) (“In the
3 event that an error is discovered [in a filed document], a party should file, as promptly as
4 possible, a praecipe requesting that the court consider a corrected document, which must
5 be filed as an attachment to the praecipe.”). In light of the parties’ representation that the
6 original documents contain voluminous citation errors, Plaintiff need not identify the
7 corrections by page and line number in his praecipe. (*See* Stip. ¶ 6); *see* Local Rules
8 W.D. Wash. LCR 7(m). Plaintiff shall file a praecipe for each document he wishes to
9 correct by no later than **May 30, 2025**. Defendant shall cite the corrected documents,
10 rather than the original documents, in its response to Plaintiff’s motion to exclude.

11 Filed and entered this 28th day of May, 2025.
